

**HEALTH REQUIREMENTS FOR EXISTING and NEW
STUDENTS ENTERING ANDOVER PUBLIC SCHOOLS
STUDENT SERVICES
36 BARTLET STREET, ANDOVER, MA 01810
Tel: 978-247-7040 Fax: 978-247-7092**

Welcome to the Andover Public Schools. The **Massachusetts Department of Public Health** requires that a **NEW student may enter school only** after the following requirements are met:

- **Health History** completed by parent/guardian prior to enrollment
- **Physical Examination** performed and signed by a US health care provider completed within one year prior to entry.
- **Lead level and vision screening** completed before entry to kindergarten. Your health care provider is required to test your child's vision. Please have your PCP include the results with the immunization records or physical exam.
- **Immunization documentation** must be translated and is required before entry. Dates must include month and year and in some cases, exact day may be necessary to fully establish your child's immune status. (schedule below)

Please arrange to meet with your school nurse to plan for any special health care needs or for the administration of any essential medications or procedures that are prescribed during the school day.

PHYSICALS:

A current physical must be on file for **ALL NEW STUDENTS** and **THOSE ENTERING GRADES Pre-K, Kindergarten, 3, 7, and 10**. A current physical must also be on file for individuals 18-21 years old participating in specialty programs.

HEALTH SCREENINGS:

The following screenings will be performed according to the Massachusetts Department of Public Health.

- Hearing: Grades Pre-K, Kindergarten, 1, 2, 3, 7, 10
- Vision: Grades Pre-K, Kindergarten, 1, 2, 3, 4, 5, 7, 10
- Height and Weight/Body Mass Index (BMI): Grades 1, 4, 7, 10
- Postural screening: Grades 5, 6, 7, 8, 9
- SBIRT (Screening with Brief Intervention and Referral for Treatment): Grades 7 and 9.

If the results do not fall within the appropriate guidelines for hearing, vision and scoliosis screening, we will contact you and recommend further follow-up with your child's physician. We recognize that some parent(s)/guardian(s) may prefer to have the screening performed by a physician.

For your child to be exempt from screening in school, please provide the following documentation:

- Hearing & Vision:** copy of the screening results from the physician for current school year.
- Postural:** copy of the screening results from the physician for the current school year or documentation that the student is under care for scoliosis for the current school year.
- Height/Weight/BMI:** Parent/Guardian must provide a written request to the school clinic if they do not wish their child to participate in this program.
- SBIRT:** Parent/Guardian must provide a written request to the school clinic if they do not wish their child to participate in this program.

****PLEASE NOTE** Screenings will commence after the second week of school**

We will ensure privacy and confidentiality during the screening procedures. Guidelines may be found at
